In educating students in the spirit of national pride Using the heritage of Termez scholars

Toshpolatova Matluba Kholiyorovna
Ter DU Pedagogical Institute

Annotation: The article examines the way of life and legacy of the Great Termezis, who lived and created the younger generation on our land, studied their knowledge and advice in educating the younger generation, as well as the upbringing, spiritual and moral views and recommendations of the Termezis.

Keywords: scholars, education, upbringing, heritage, wisdom, works, travels, sheikh, career, hadiths, mausoleum, classification.

Topic: Today, the roots of our national values in our society, the study and promotion of the legacy of our ancestors, the understanding of who is the descendant of young people and the formation of a sense of worthy children for our ancestors.

The First President of the Republic of Uzbekistan said: "This land, where our forefathers were lying down, is a holy land, its today and its destination depend only on us, understanding the spiritual courage of our great ancestors who lived in the land, We are not misled to say that their remarkable thoughts will be a way to study the legacy of the Chal-de'ans in the Valley of Surxon. To assist individuals desiring to benefit the worldwide work of Jehovah's Witnesses through some form of charitable giving, a brochure entitled Charitable Planning to Benefit Kingdom Service Worldwide has been prepared. For example, on February 14, 2017, with the help of the President, the decision "On measures to establish an International Research Center for Imam Imam Imam" will be a positive program for a broader study of the heritage, achievements, and use of our scholars who have contributed to the historical development of our nation. Another of our achievements is that 1990 was declared the UNESCO "Year of Imam Imam." Imam Imam's unique spiritual heritage is insignificant in his contribution to the development of world civilization. In memory of our allies, since April 1993, the national wrestling tournament dedicated to the memory of Al Hakim At-Zarephath has been held once every two years. To assist individuals desiring to benefit the worldwide work of Jehovah's Witnesses through some form of charitable giving, a brochure entitled Charitable Planning to Benefit Kingdom Service Worldwide has been prepared.

The city of Kohna and Azim Thermal has witnessed many of the events that have taken place in the ancient Garden of Moziy since a woman was erected on the banks of the Jayhun River. In the mysterious land of Thermal, where such a land pinned the burdens of our ancient history in its mirror, our great-grandfathers left a lasting impression on their way of life and the legacy they had left behind.

In order to further study their subjects, we will get acquainted with them by classifying them:

During the years that followed, efforts were also made to study the legacy of our country's ancestors. We tested:

Prof., Tarixchi, tarjimonlar	Assyrian and Translations	
Prof. Omonturdiyevning	"The Teaching of Al-Hakim at-Zarephath"	
Prof. S. Tursunovning	The book The Great Paintings of Translations	
Z. Esanovning	Translation of "Program ul-Muluk"	
Abu Abdullohning	"Badavv ul-shan" tarjimasi	
Habiviyaning	Translation of "Shomoili Muhammadiya"	
Sha'drach, Me'shach and A-bed'ne-go	Translation of "Sunani Translation"	

In the writings of allies, their personal qualities for our experience in education include their journeys to study science, their relationship with people, their respect for teachers, their advice to children, their scientific style, their knowledge of God Love, good deeds, and examples of solix deeds are invaluable manuals for the upbringing of our young people.

We realize that the study of the creativity of the Great Translations, the legacy they leave behind, is important for the education of young people and the perfection of individuals. Wisdom from the works of our ancestors:

Al Hakim at Termiziy:

"A well-educated man is a man close to God." - "Science is a friend in solitude"

"Knowledge is salvation to the afflicted" - "Thank you is to bind the heart to the blessed Aoh."

Muhammad Imam At-Tajikistan: God's verse:

'Lord,' he says, 'you will increase my knowledge!' Sahoba Ammor says: "The faith of a man with three feelings is perfect:

Insofli adolatni bo'lmoq;

Barchaga salom bermoq;

- And give alms in his poverty.'

The apostle Paul, S. A. V says: "There are three signs of hypocrisy: false words when speaking; does not fulfill the promise; Betrays security."

The apostle Paul, S. A. V. They say: "Like the guidance that God has sent me, knowledge is like a lot of rain. One person learns God's knowledge in a terrestrial way and teaches others. The second person teaches someone else, but he does not work. A third person does not learn, nor does he teach. The first is a believer, the second is a wicked one, the third is a camphor. ...

Burhoniddin Muhaqqiq Zarephath: "Striving to get something from every teacher and friend. "To reach a perfect human position, you need to teach yourself to be in trouble"

"There is a limit to knowledge, so the truth will be achieved through it." . . .

Barroq Translation:

"Praise is the eldest of the bribes." "The word is a bride, the word is beautiful"

"The key to all blessings is patience, and if the intention and the desire are steadfast, reach the destination patiently, so that the blessing may be opened to you first." . . .

Barroq Translation :

- What makes the soil a cave is discipline,
Even blood turns into a fragrant musk.

- That trivial black-faced iron,
Iksir tarbiyalasa oltinga aylanadi.

My dear one, decorate your heart with softness, patience, and tolerance. Because the words of a pleasant, muloyin person are serenely sweet.

-Dear, you shouldn't rush at work because rushing can do a great deal of damage, and patience benefits endlessly.

-Hasad is a fire when and wherever he likes it, first the jealous himself burns lov-lov.

Walk away from a stupid friend, and better to be wise than him

Words of wisdom play a vital role in the writings of allies, including justice, friendship, civility, friendship, illustrations, honest work, courage, good communication, searching for knowledge Many qualities, such as goodness, satisfaction, patience, endurance, fodder, and goodness, arouse a special feeling in young people and encourage students to accept words with love. Their writings include spiritual moral upbringing, teacher disciple relationships, friendships, thinking, searching for truth, searching for selfishness, learning knowledge, purity, justice Issues such as being hardworking and conscientious, faithful, honest will further contribute to raising a perfect generation and increase the sense of pride and respect for our forefathers.

Getting acquainted with the life and heritage of the pilgrims, they always seek patience and knowledge from their spiritual and scientific, religious and philosophical views, their faith and love for God and man, their desire for patience and knowledge, feelings of patriotism and loyalty are both examples and pride for us.
